I, the purchaser named above, claim an exemption from payment of sales and use taxes (for the purchase of taxable items described below or on the attached order or invoice) from:

Seller: ____________________________________________

Street address: ____________________________________________ City, State, ZIP code: ________________________

Description of items to be purchased or on the attached order or invoice:

  tangible goods and supplies

Purchaser claims this exemption for the following reason:

The undersigned claims exemption from taxes under Chapter 20, Title 122a, Revised Civil Statutes of Texas, for purchases of tangible property described in this order, purchases from contractors listed above, as this property is being secured for the exclusive use by the State of Texas.

I understand that I will be liable for payment of all state and local sales or use taxes which may become due for failure to comply with the provisions of the Tax Code and/or all applicable law.

I understand that it is a criminal offense to give an exemption certificate to the seller for taxable items that I know, at the time of purchase, will be used in a manner other than that expressed in this certificate, and depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
